

Useful Tips for Renters

Here are some useful tips that renters can rely on to ensure safe housing :

Look for a rental or lodging license posted on the property

Your bedroom ceiling should be higher than 7 feet high

Look for smoke detectors within 15 feet of your bedroom

You should not have three or more unrelated roommates living in one unit

Rooms should be bigger than seven feet across

The room you sleep in should have a window or door that leads to the outside

There should not be more than four people sleeping in a single bedroom no matter how big the room is

To Report a Code Violation call Minneapolis 311.
